
About

Security Studies is a burgeoning study and research programme located at the [Institute of Political Studies](#) , [Faculty of Social Sciences](#) , [Charles University in Prague](#) . In the dynamic educational and research environment placed at one of the most renowned and historical universities in Central Europe, founded in 1348, we aspire at excellence in producing and disseminating advanced theoretical knowledge as well as practical skills and expertise in various security domains.

The security studies programme is operated primarily by the Department of Security Studies. The department currently services two M.A. programmes, [Master in International Security Studies](#) (MISS) and [Bezpečnostní studia](#) (in Czech).

The security research hub at the Institute of Political Studies moreover comprises the [Deutsch Security Square](#) and the [Centre for Security Policy](#) .
